

## Rimpton Support networks during the Covid-19 crisis

Thanks so much for all responses to our first flyer delivered to all houses last week. It was a great response, including the messages from people who can't for various reasons offer support but wanted to appreciate the efforts of others.

This second flyer lists the support available to Rimpton which we know of at the time of writing. It looks like we're in this crisis for the long haul and we felt it might be useful to have a 'hard-copy' list to pin up on the fridge or wherever. It's just one of many ways we can keep in touch with each other in these very difficult times. We also have 3 excellent internet networks, see below. If you don't use the internet, please ask anyone listed below to pass on information.

### Please note \*

- Ollie is happy to bring groceries from Queen Camel Post Office. Please pre-order and pay direct to shop, 850432.
- Rosemarie works at Queen Camel Surgery and can bring prescriptions. Please phone the surgery to give permission; contact Rosemarie with name, address, date of birth, and number of items. She will need to deliver in person.
- Both Morag and Verity have offered to cook a meal for people, if you take them the ingredients.
- Nicola would love to hear from anyone who has lived in Rimpton for a long time. To put together info and anecdotes.
- Rev. Barbara Stanton would be pleased to help in any way possible. Contact her for a chat or support on 850745.
